DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform.

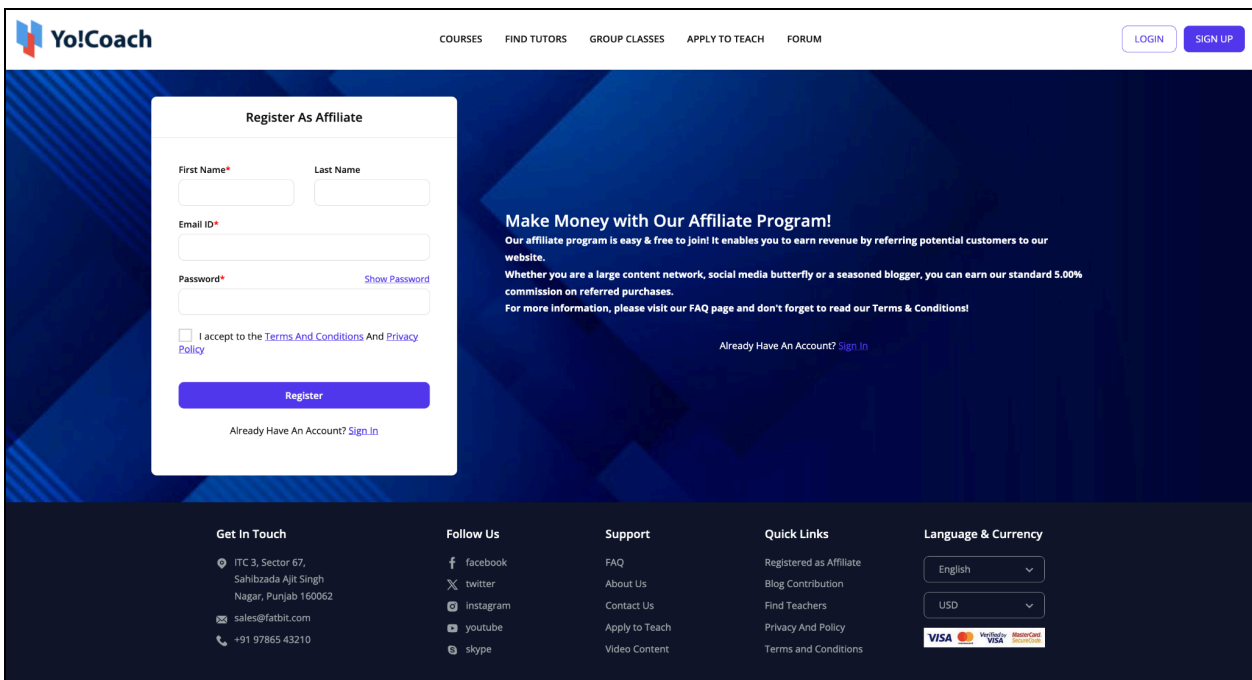

An **asterisk (*)** next to a label indicates that the information is mandatory.

The **secondary language** setting and tab is **ONLY** available if the admin has added more than one language for the platform.

1. Affiliate

An affiliate promotes the platform to outside users and earns a commission for each registration and sale. For easy tracking of registration, an affiliate user is given a unique link.

Commissions are given when someone clicks the respective unique link and successfully registers on the platform and every completed order.

 An affiliate is restricted to functioning solely as an affiliate on the platform, without the capability to make purchases on the platform. If you want to become a learner or teacher on the platform, you need to register from a different email address

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform. An **asterisk (*)** next to a label indicates that the information is mandatory. The **secondary language** setting and tab is **ONLY** available if the admin has added more than one language for the platform.

2. Registration

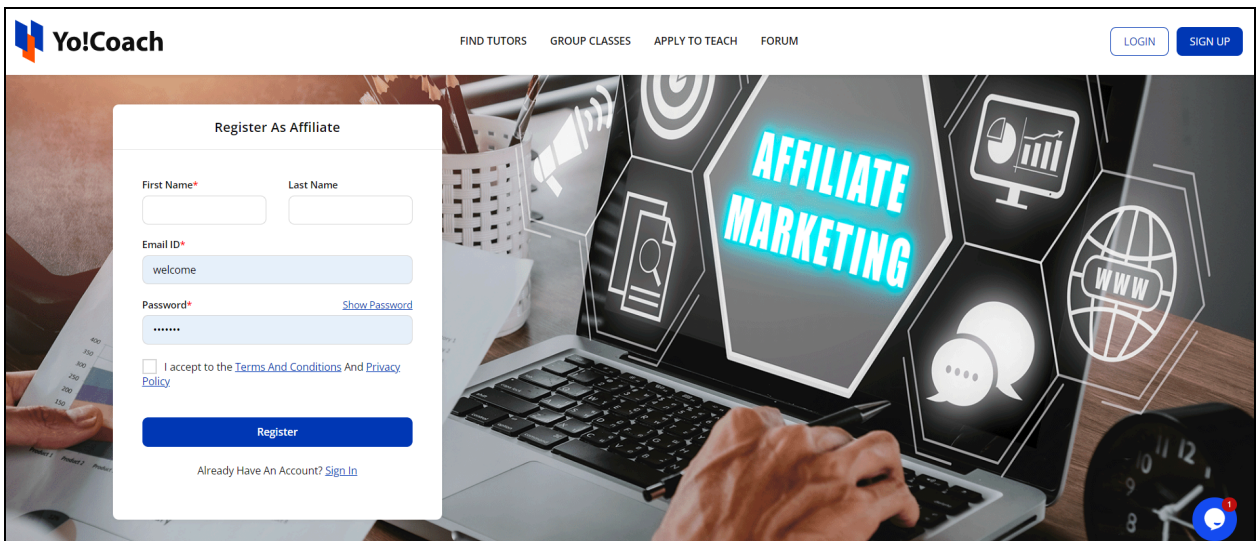

On the homepage, scroll down to the footer section of the page.

You will come across multiple pages that can help you navigate through the website and use its various features.

Amidst these links, there is a “Become an Affiliate” link. Click this link to register as an affiliate on the platform.

This will direct you to the **Make Money with Our Affiliate Program!** page.

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform.

An **asterisk (*)** next to a label indicates that the information is mandatory.

The **secondary language** setting and tab is **ONLY** available if the admin has added more than one language for the platform.

Register As Affiliate

First Name*	Last Name
<input type="text"/>	<input type="text"/>
Email ID*	
<input type="text"/>	
Password*	Show Password
<input type="text"/>	
<input type="checkbox"/> I accept to the Terms And Conditions And Privacy Policy	
<input type="button" value="Register"/>	
Already Have An Account? Sign In	

First Name*: Enter your first name.

Last Name: Enter your last name

Email*: Enter your email address.

This email address will be saved as the main credential of the account and can be used later to retrieve a forgotten password as well.

Password*: Enter a password that you can easily remember

I Agree To The Terms & Conditions: Select the checkbox to agree with the Terms & Conditions of the platform.

You cannot proceed to the next step of the registration process without selecting this checkbox. To read the terms and conditions, click the **Terms & Conditions** phrase, which is hyperlinked to the Terms & Conditions page.

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform.

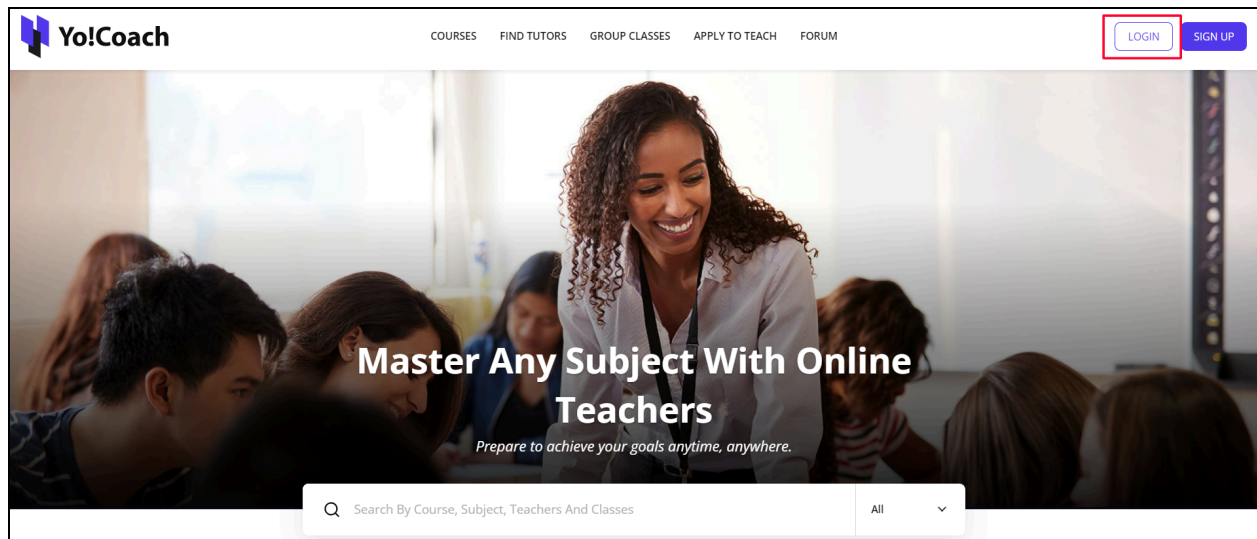

An **asterisk (*)** next to a label indicates that the information is mandatory.

The **secondary language** setting and tab is **ONLY** available if the admin has added more than one language for the platform.

Once all the information is added, click **Register**.

3. Login

Visit the homepage of the platform.

From the **login** button on the top right corner, a log-in pop-up form will appear.

If you click Login after registering on the website, you will be directed to the guest login page as well.

Depending on the features activated by the admin i.e., user email verification after registration is mandatory or not, besides this, you can simply click “**Login**” and use your login credentials to log into the platform.

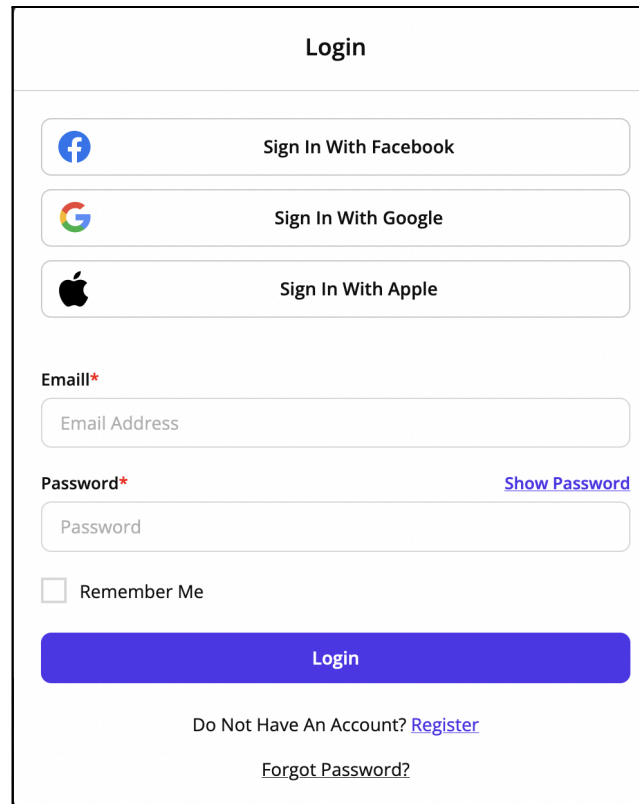

Enter the **username** (or email address) and password to log in to your account. Keep in mind that the username and password are case-sensitive.

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform.

An **asterisk (*)** next to a label indicates that the information is mandatory.

The **secondary language** setting and tab is **ONLY** available if the admin has added more than one language for the platform.

So, type in the exact details you had when setting up your account. Check mark Remember me so that if you close the window without signing out, the next time you go back, you will be signed back in automatically.

The screenshot shows a login form titled "Login". It features three social media login options: "Sign In With Facebook", "Sign In With Google", and "Sign In With Apple". Below these are fields for "Email*" (with a sub-label "Email Address") and "Password*" (with a "Show Password" link). There is a "Remember Me" checkbox and a prominent blue "Login" button. At the bottom, there are links for "Do Not Have An Account? Register" and "Forgot Password?".

Once done, click **Login**.

 Please note that the Social media login is not available for Affiliate users.

If you have forgotten your password, click **Forgot Password?** (Refer to Forgot Password to know more) to recover your password and log in to your account.

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform. An **asterisk (*)** next to a label indicates that the information is mandatory. The **secondary language** setting and tab is **ONLY** available if the admin has added more than one language for the platform.

4. Forgot Password

If you forgot or lost your password, you can change or reset it by clicking the Forgot Password link in the login form.

Forgot Password

Please enter registered Email*

Submit

Enter the email address associated with the account in the provided field. Once done, click **Submit**.

In case you clicked the **Forgot Password** link by mistake, you can go back to the login page by clicking the Back to Login link below the Submit button.

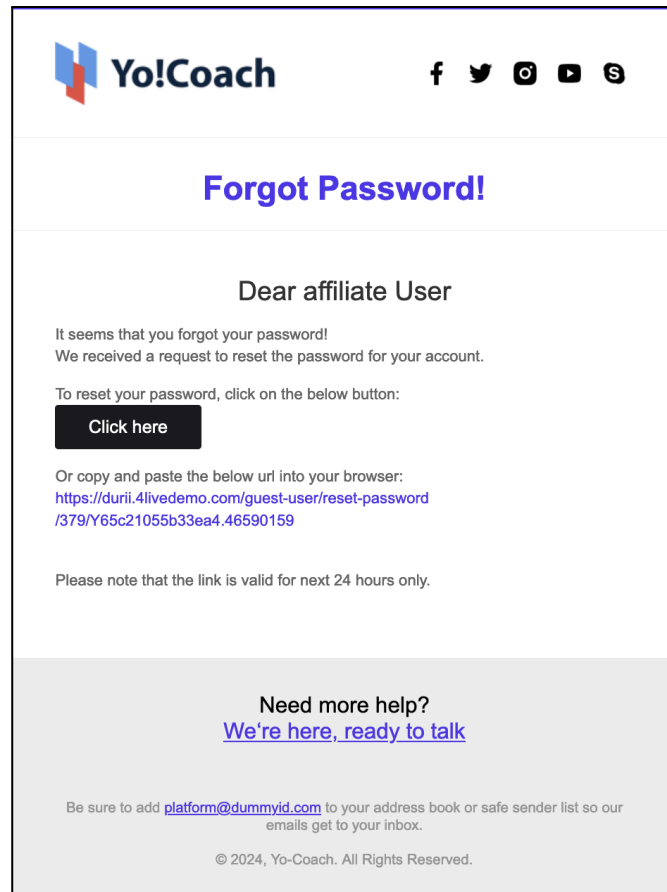

When you click **Submit**, the system will forward a password reset link to your mentioned (registered) email address and a message will appear in the top right corner of the page confirming the same.

From here, go to your inbox and open the email received to reset your password.

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform.

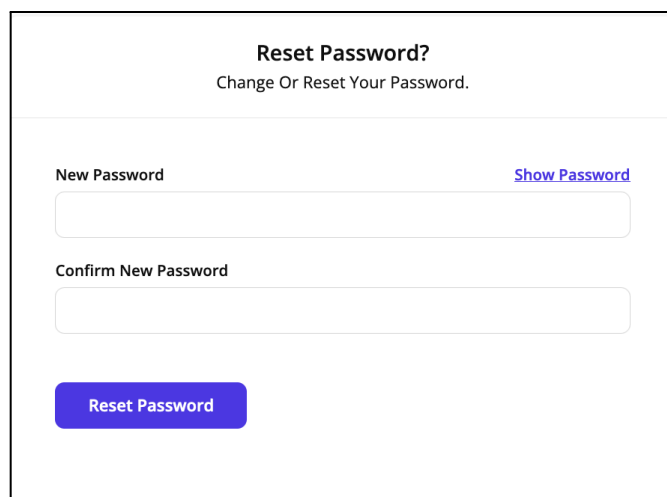

An **asterisk (*)** next to a label indicates that the information is mandatory.

The **secondary language** setting and tab is **ONLY** available if the admin has added more than one language for the platform.

Click the **Click Here** button in the email.

A new window will open with the **Reset Password form**.

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform. An **asterisk (*)** next to a label indicates that the information is mandatory. The **secondary language** setting and tab is **ONLY available** if the admin has added more than one language for the platform.

Edit the following:

- **New password:** Enter your new password. Ensure that the password is a strong one and has at least 8 characters in it.

The password is case-sensitive, which means that A and a will both be considered two different characters.

If you enter a short password and/or a password that does not have a mix of alphanumeric characters (mix of numbers and alphabets), it will show an error message.

- **Confirm new password:** Re-enter the new password you entered in the last field.

If you do not enter the same password as entered in the last field, it will show an error and you will not be able to move forward.

Once done, click **Reset Password**.

With this, your password will be updated and you will be redirected to the login page.

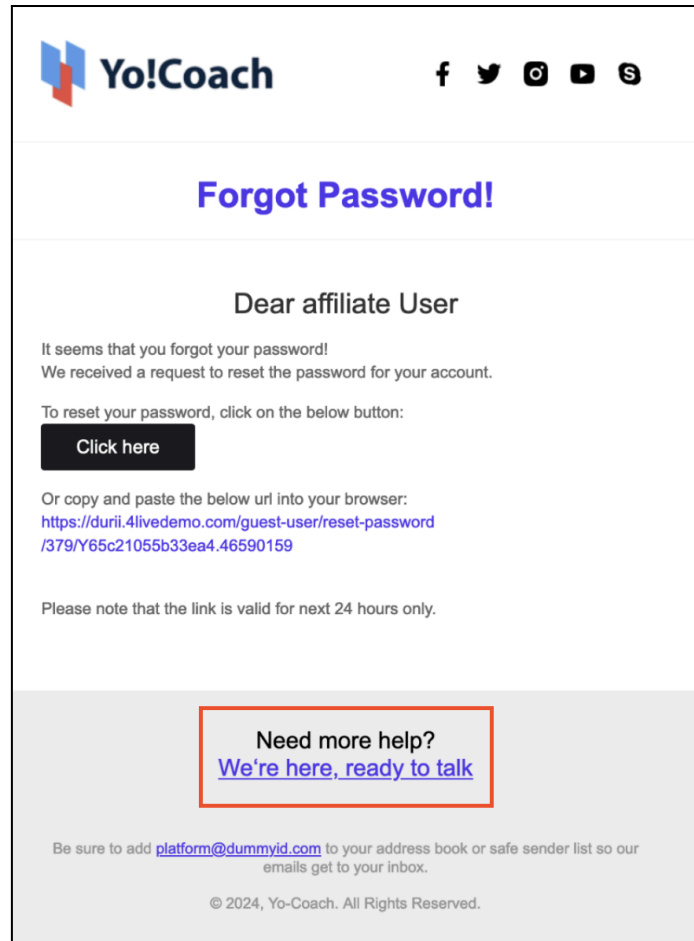

You can then log into your account from here.

If you have any other issues and/or need additional help, you can contact the admin by clicking on **We're here, ready to talk**.

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform.

An **asterisk (*)** next to a label indicates that the information is mandatory.

The **secondary language** setting and tab is **ONLY** available if the admin has added more than one language for the platform.

A **Contact Us** form will appear, where you can fill in all your details and type your concerns in the message section.

Click submit once you fill in your details and concerns. An email will be sent to the Admin.

4.1. Problem logging in

If you are experiencing problems while trying to log into your account and can see the below error message, this means that the admin has deactivated your account.

Moreover, if the admin has removed your account from the platform, you will not be able to log in at all.

Kindly contact the admin in such cases.

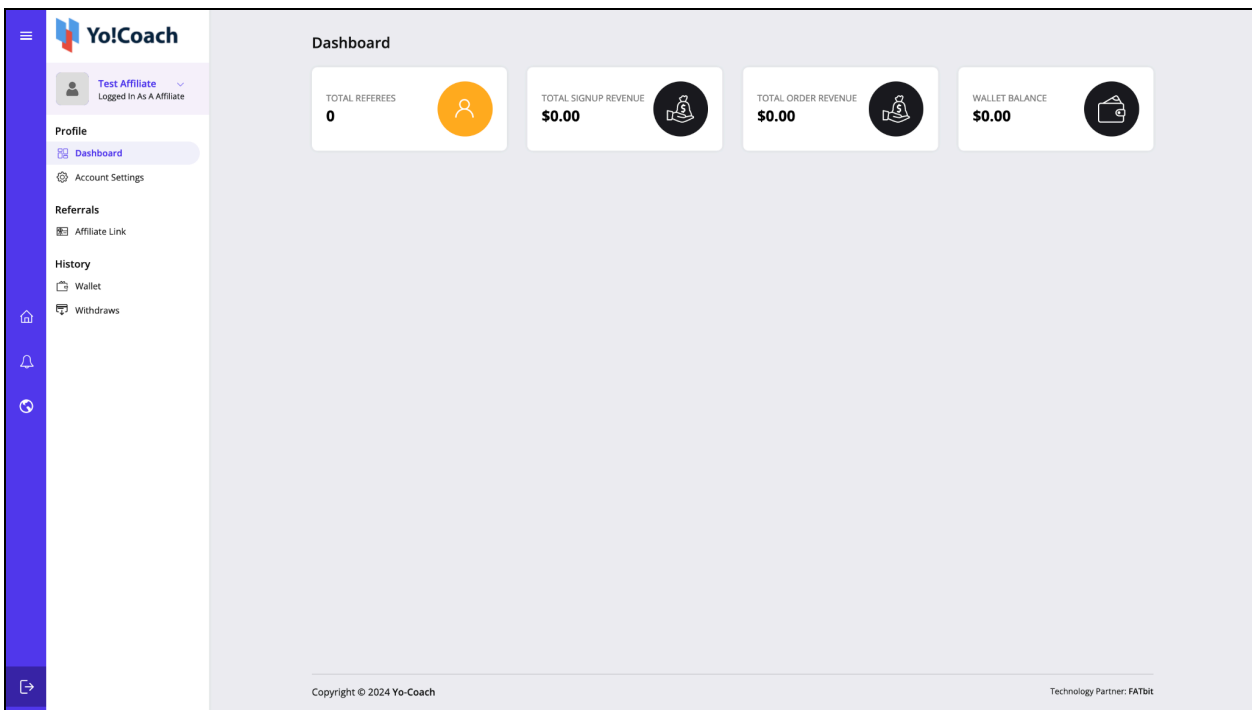

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform.
An **asterisk (*)** next to a label indicates that the information is mandatory.
The **secondary language** setting and tab is **ONLY** available if the admin has added more than one language for the platform.

5. Profile

Once you log into your account successfully, the first thing you see is the homepage of the website.

From here, click your name at the top right corner of the page. A dropdown menu will appear.

Select **Dashboard** from the list.

This will direct you to the affiliate dashboard.

Multiple different sections on the dashboard share a brief about the analytics and metrics solutions to help manage referral users, track your transaction history, and view total credits and revenue earned.

In addition, multiple sections can help you navigate through the platform easily.

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform.

An **asterisk (*)** next to a label indicates that the information is mandatory.

The **secondary language** setting and tab is **ONLY** available if the admin has added more than one language for the platform.

Each section has been explained below in detail:

5.1. Shortcut Button

The left panel of the **Dashboard** displays the following sections:

a. Hamburger Menu 

Click the hamburger menu icon to expand or contract the dashboard side navigation panel.

b. Home 

Click the home icon button and you will be instantly redirected to the **Dashboard** page from any other teacher profile page.

5.2. Navigation Menu

On the left side is a **Navigation Menu**.

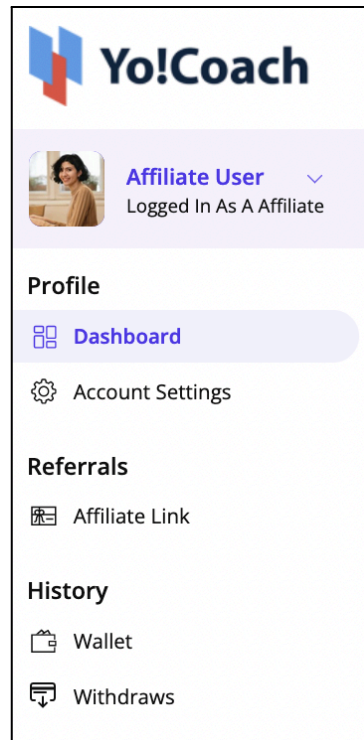

These are referred to as modules that allow you to manage your account and perform various tasks accordingly.

Each of these modules under the navigation menu will be explained further in the next section.

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform.

An **asterisk (*)** next to a label indicates that the information is mandatory.

The **secondary language** setting and tab is **ONLY** available if the admin has added more than one language for the platform.

5.3. Dashboard

The Dashboard section shows a brief stats of the total earnings on the platform, the dashboard has four sections:

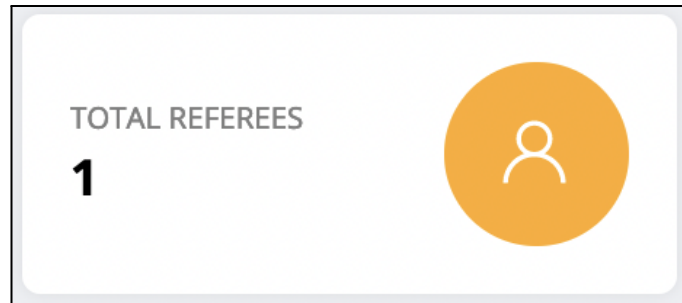

- **Total Referees:**

It will show the number of referees who have signed up using the affiliate link.

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform. An **asterisk (*)** next to a label indicates that the information is mandatory. The **secondary language** setting and tab is **ONLY available** if the admin has added more than one language for the platform.

When you click anywhere on the box you will be redirected to the “**affiliate link page**” where you will be able to see the detailed view list of the users registered using the Affiliate link.

- **Total sign-up revenue:**

This section will display the total amount earned from sign-up on the dashboard using the Affiliate link.

By clicking anywhere on the box you will be redirected to the “**Wallet**” page, where you will be able to see your wallet balance and list of all the amount earned through sign-up.

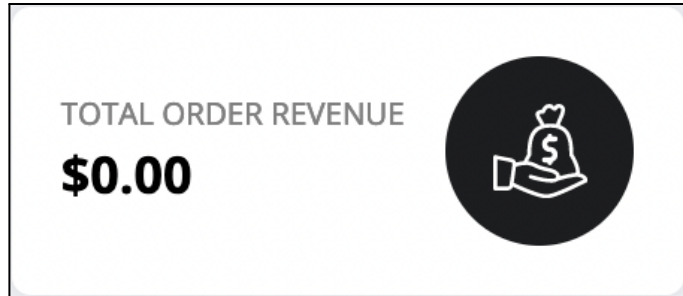

- **Total Order Revenue:**

This section will display the total commission earned from orders completed by referees.

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform.
An **asterisk (*)** next to a label indicates that the information is mandatory.

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform.

An **asterisk (*)** next to a label indicates that the information is mandatory.

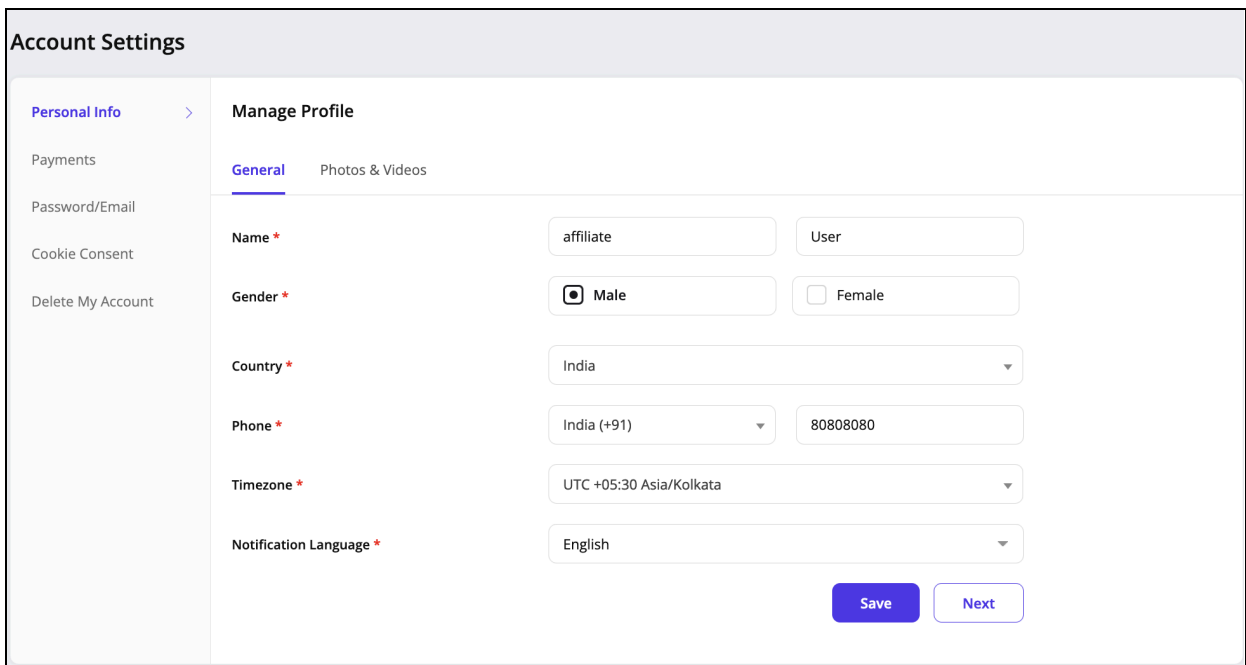

The **secondary language** setting and tab is **ONLY** available if the admin has added more than one language for the platform.

“new password” and “confirm new password”.

Email: You can change your email associated with the account by simply adding the new email and confirming the password.

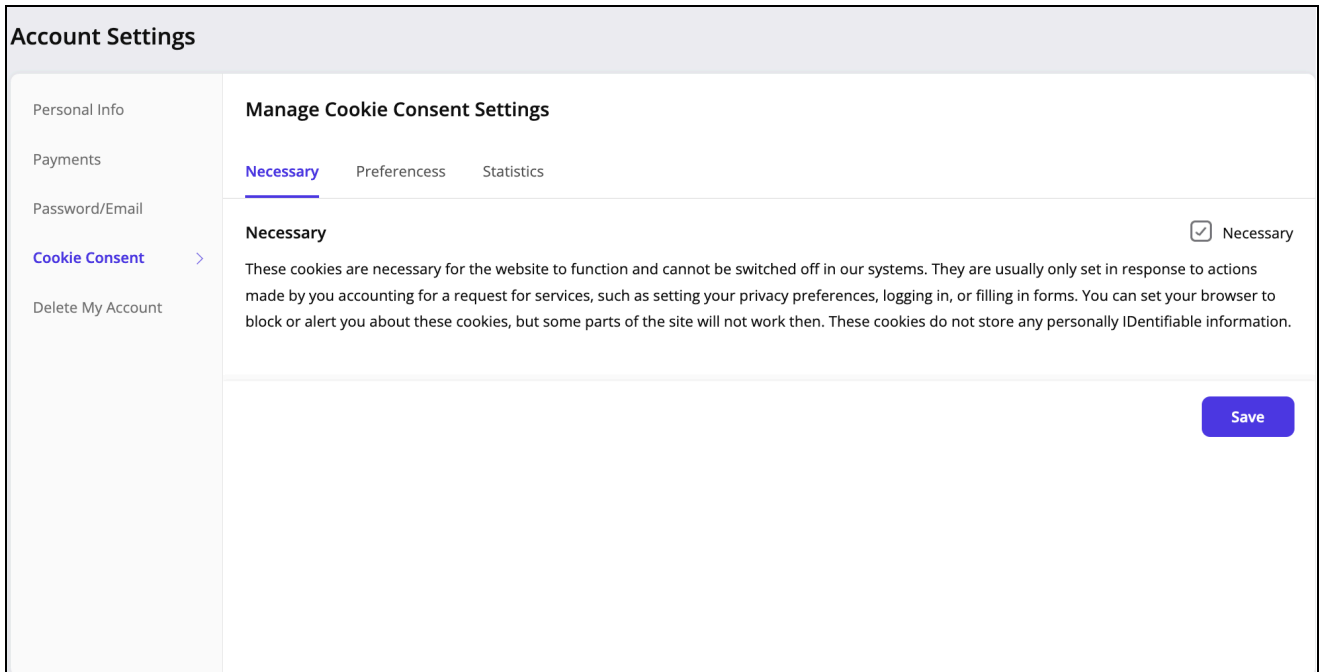

- **Cookie Consent:**

Yo!Coach offers you the option to manage your cookie preferences. You can grant or deny permission for various types of cookies, including, Necessary cookies, Preferences analysis and Statistics cookies.

When you click this submodule, it directs you to a page where you can see these cookies and the option to either grant or deny permission to them:

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform. An **asterisk (*)** next to a label indicates that the information is mandatory. The **secondary language** setting and tab is **ONLY** available if the admin has added more than one language for the platform.

I. Necessary:

This cookie preference has been activated by default. With this activated, it allows the platform to allow the various plugins and additional functions that assist in the use of the website. Deactivating it will not allow you to use the platform smoothly.

In short, this is the most important cookie feature that is mandatory for the proper functioning of the platform.

Due to this, you cannot access the Select switch to deactivate this feature.

II. Preferences

Preference cookies are essential for system performance and user experience enhancement. The information fetched is aggregated and anonymized before use. Switching these cookies off may affect the working of some or all of the personalization features.

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform.

An **asterisk (*)** next to a label indicates that the information is mandatory.

The **secondary language** setting and tab is **ONLY** available if the admin has added more than one language for the platform.

Click the switch in the right corner above the cookie description to turn it ON or OFF .

It is advised to permit so as to enhance the performance of the platform because if you deactivate it, the third-party applications configured with the website will not be able to track your activities.

These activities help enhance the overall performance of the website and can help the admin track things properly to help the business grow.

III. Statistics

These cookies are also known as performance cookies. Its work is to collect information regarding how the website is being used, including the pages you visited, the links you clicked, and the things you marked as your favorite.

None of this information can be used to identify the user. It is all aggregated and, therefore, anonymized.

Click the switch in the right corner above the cookie description to turn it ON or OFF .

If you don't accept this cookie, you will not be able to experience a personalized experience where you see and are directed to things that are related to your choices.

- **Delete My Account:**

If you wish to discontinue using Yo! Coach as an Affiliate, you can Delete

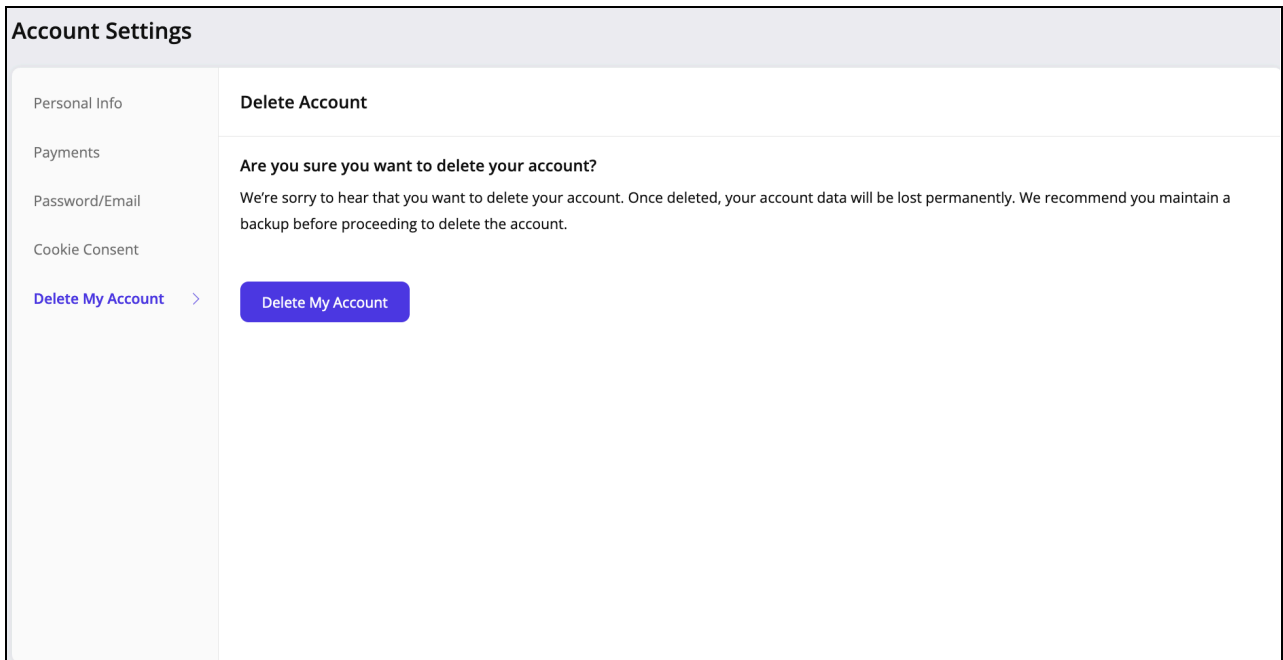

DISCLAIMER: The color theme and labels might differ in the screenshots as compared to on the platform.

An **asterisk (*)** next to a label indicates that the information is mandatory.
